Since he has been practicing med-icine, his success in such cases has been unrivalled. He has been aware of the incredulity of the public, and conse-quently said nothing through the press of his own case, until the character of the medicine was fully established by its success, as shown by the certificates which have been I subjoin the certificate of Prof. M. Мацения, Tenn., April 17, 1 52, I hereby certify that I have been acquainted with Dr. J. N. Bledsoc and some years any he was reduced I set are lower than I have ever seen any one that afferwards recovertower than I have ever seen any one that afterwards recover-ed, with what I supposed to be Dyspapsia and Liver afterior, and after trying the prescriptions of many Physicians in this as well as other countries, without relief, he finally succeeded with a preparation of his own in being restered to good health.

M. GABBERT, M. E.

Physicians are requested to try this preparation. We feel satisfied it will sustain the character we give to it in this Heyrsville, January 12, 1852.

Dr. Britison: —I take the liberty and fell it to be my duty to recommend to all persons suffering from disease of the stomach and bouch, your Alterative Compount, as a very seperior medicine. My son, aged 15 years, had been under medical treatment about five years for dyspapera and diarrhea—when having almost despaired of his recovery, I concluded to try your Alterative, two hottles of which, I believe,

Du Branson - Some time has chapsed since I gave a cer-tificate that my wife had been greatly benefited by your Alternitive Compound. I now take pleasure in saving to the public, that my wife had for three or four years been subject to the worst kind of spells of champ in the stomach from dyspepsis. I had tried it several whom I thought to be the best physicians in the place and a great many differen medicines, with momentary relief. Being persuaded to try your alterative compound, I did so—and I am happy to say that it has entirely cured bur; and I would consequationally recommend it to all persons suffering from diseases of the liver and dyspepsia. N. B. ROBERTSON. HENTSVILLE, Sept. 29, 1851.

Dn. Burnson—Having seen the publication of your Alterative Compound, I think it my duty to say to the public, that I had been for years subject to spells of Cramp Colic, in its worst form; that I had breed almost every thing that is gi ven by physicians, and never found any thing that would cer turnly relieve me, until I tried the above medicine, which has relieved me in every attack in less than an hour WM. B. LLOYD.

Grass County, Tenn., Due 23, 1251.

Dn. Branson: —I feel that I should fall short of my duty to you and to those who are afficied, were I not to further resonanced your Alternative Compound. It has entirely re-lieved me, so that I have not had cause to take anything in two months. I can eat anything I want with dispanity, and believe my health is as good as it ever is at my advanced ago. Should I ever suffer from dyspensia again I shall be sure to call on you. I am very respectfully your friend. call on you. I am very respectfully your friend, ELIZABETH J. HARWOOD. Hexrsynne, Ala., August 24, 1851.

This is to certify, that I had suffered for many years with Dyspensin and Diseases of the Liver. Physicistr after Phy-sician had prescribed for me without my receiving any benefit, when I commone if the use of Dr. Bledse's Alterative Compound, which cured me soundly, and I recommend it because of the same happy effect upon others of my acquaint JOSEPH CAROTHERS. HUNTSVILLE, Ala., March S. 1852.

Dn. Branson —Sin: Judging from the certificates you have already advertised, it will be almost unnecessary for me to add further evidence in regard to the healing virtues of your Compound; but I must say, that for years 1 suffered a great deal from Dyspepsia and enlargement of the spleen, and thought that I never would recover. I commenced taking your compound about nine weeks since, and have gained 25 or 50 pounds, and feel about as well as I ever slid; HENRY J. GOFF.
